***Intro 4 wk Workshop**—Accepts walk-in. Please verify status.

Enrollment: \$310 (full 20 wks)

Automated Installment Options available in direct debit or credit card payment. An **installment form** must be submitted with registration form.

Enrollment is the most cost effective, guarantees your space in class and does not require you to check in at the front desk each time you come to class. Tuition can be pro-rated for new students. Tuition is non-refundable. Payments accepted by cash, check or credit card (\$25 charge for returned checks/cards). Enrolling also ensures that you will receive all pertinent communications. Make up classes may be taken if a class is missed. Enrolled students also have the option to take additional classes at a discounted rate. Students with class cards and those who are taking a walk-in or trial class must check in at the front desk prior to class. If a class is fully enrolled, class card and walk-in students will be admitted on a space available only. See full details in our Brochure or website. If you are enrolling in more than 2 classes per week as an individual or family, we offer a family/multiple class discount if enrollments are received by the designated deadline and are for the entire semester. Enrollment forms for all returning students should be post-marked by a certain date to avoid a registration fee of \$25. As a courtesy to other adult students in the class, children under the age of 15 are not allowed in the studio during an adult class. Please make arrangement for them outside of the studio premises.
